

## **CREDENTIALING COMMITTEE ATTESTATION STATEMENT**

As a Credentialing Committee member of Heraya Health, I attest that:

- Credentialing Committee decisions regarding credentialing, recredentialing, and network participation are based only on the elements and information collected during the review process as described in the Credentialing Policies and Procedures;
- Decisions regarding credentialing, recredential, and network participation are not based on race, ethnic or national identity, gender, age, sexual orientation, or the field in which a provider specializes;
- No compensation or financial incentives are in place to encourage discriminatory, unethical, or biased decisions;
- Knowledge and information obtained about providers, members, and Heraya Health in the process of serving on the Credentialing Committee will be held confidential indefinitely; and
- I am credentialed with Heraya Health in good standing and am not an employee of Heraya Health.
